

# Son of God, Son of Man

*When Jesus left heaven and came down to earth  
He was God, He was man, He was baby by birth.*

*As God, He chose who His parents would be;  
As a babe, He depended on them for His needs.*

*As God, He knew each step of every day;  
As a child He learned all that Joseph conveyed.*

*As God He created the world all around;  
As a boy He played with the creatures He found.*

*As God He grieved over man at the Fall;  
As a man He poured Himself out for us all.*

*When Jesus returned to His heavenly throne  
He was God, He was man, and He's calling us home!*
