

## BLESSING

**B**egin each day with this in mind -  
That your thoughts and actions will all be kind.

**L**ift others up to God in prayer;  
That's a gift you can give that's beyond compare.

**E**xalt your God in every way  
And praise Him in all that you do and say.

**S**urprise your friends with acts of joy  
And deeds of love that you daily deploy.

**S**upport those around you however you can  
And encourage them with a helping hand.

**I**nquire of God His perfect will –  
As you follow Him your spirit is filled.

**N**estle your heart within God's hand  
And be held by Him who helps you to stand.

**G**lorify Him who adores you  
And become a clear channel He'll pour through.

Receive His blessing, reflect it back,  
Then flow out to others – you're on the right track!
